Dear Mr Read,

Re: Credit Articulation Arrangement with Griffith University

I am pleased to advise that the Dean (Learning and Teaching), Griffith Sciences & Business has approved credit articulation arrangements as below:

- 80CP for the completion of the Diploma of Information Technology (ICT50118) towards the Bachelor of Information Technology;
- 50CP for the completion of the Diploma of Leadership and Management (BSB51918) towards the Bachelor of Business;
- 60CP for the completion of the Diploma of Business (BSB51020) towards the Bachelor of Business;
- 80CP for the completion of the Diploma of Hospitality Management (SIT50416) towards the Bachelor of International and Hotel Management.

These arrangements will remain current whilst both Capital College and Griffith University offer the above programs. If there are significant changes to either institution's program, the articulation arrangements will need to be reviewed at time of the major change to ensure currency of the arrangements.

Full details of these arrangements are listed in the University's Credit Precedent Database located at griffith.edu.au/credit via a search of Capital College. Information about programs offered by Griffith University, including admission requirements and how to apply, is available from degrees.griffith.edu.au

Griffith University looks forward to hosting your graduates who may wish to extend their studies at Griffith University.

Yours sincerely,

Siobhan Richardson
